Banned Books Week Fortune-Teller
With art from Mariko Tamaki and Jillian Tamaki's *This One Summer* – the #1 most challenged book of the year

More than 70% of the challenged books recorded by ALA in 2016 contained diverse content.

“‘There is more than one way to burn a book. And the world is full of people running about with lit matches.’

—Ray Bradbury

“The books the world calls immoral are books that show the world its own shame.”

—Oscar Wilde

The two most challenged graphic novels of 2016 are both by Eisner Award-winning authors.

Comics and graphic novels are one third of this year’s ALA Most Challenged Books list.

Each year, the ALA receives hundreds of reports of books that are challenged or banned.

‘There is more than one way to burn a book. And the world is full of people running about with lit matches.’

—Ray Bradbury
